Host: Ákos Kukovecz, kakos@chem.u-szeged.hu

Szeged program overview

7-10 October, 2018: SIWAN 2018 conference. (Hotel Forrás)
8 October, 08.30-14.00: CLEARPV mini-symposium embedded in the SIWAN 2018 conference. (Hotel Forrás)
11 October, 10.00: Start of the annual project meeting. (University of Szeged)

Agenda

08.30: Assembly in the lobby of Hotel Forrás, then collective transfer to the University. Participants not lodging in Hotel Forrás should take a taxi from their chosen accommodation to the University. The address is Szeged, Rerrich Béla tér 1. Please be there by 08.45 and meet us at the entrance of the "Béke" building!

08.45: Get-together at the University premises. The meeting will take place in the "Szántó" room.

08.50: Call to order.

09.00: Welcome by the host.

09.05: Welcome by the coordinator. Agreement on the agenda.

09.10: Overview of perovskite solar cell progress in the past year, in light of the literature and the CLEARPV symposium presentations. Presented by Prof. Yulia Galagan.

09.30: Progress reports by each partner.

12.00: Lunch break

13.00: Progress evaluation by the coordinator.

13.30: Discussion and planning for the 2nd project year: exchange of samples and researchers, networking events, research activities that will move us towards the common goal. Date and location of the 2nd year project meeting.

15.00: Tour of the Szeged facilities.

16.00: Conclusion, end of meeting.
